Weights should be taken at your facility after practice. Please have a phone number available in case of questions about bracketing. **Please submit accurate weights verified by club coaches.**

Cost: \$25 per wrestler. Individuals should pay their club; each club should submit **one check per team**, payable to FH Wrestling, at the first session of the day for their entrants. Registrations past the deadline date will be assessed a \$10 late fee per entry. Individuals who do not have a club will pay at check-in. Once registration has closed, registrants are responsible for paying their fee even if they do not attend. If the tournament were to be canceled, all registration fees would be refunded to entrants.

Format: Wrestlers in each division will be grouped by weight and experience rating. When you register, you will be asked to rate each of the wrestlers on your roster based on their experience/success level.

4=Beginner (first year only)

3=Fair (At least one year experience/fair to average/has not placed at a state tournament)

2=Average (Has placed 5-6 at a state tournament or qualified for a USA state tournament)

1=Excellent (Top 4 in state tournament, experienced divisions only)

We will do our best to group wrestlers by experience. **Beginners are encouraged to compete and will be bracketed with other beginners. "Beginner" is defined as first-year wrestler.**
